Education Week

Thank you to all the parents and friends who were able to attend our Education Week Assembly. The infants were terrific and the bullying presentation by the year 6 children was very entertaining while carrying a very serious message.

Congratulations to our 12 Education Week Award winners. These students have been chosen for their award because they are the hardest workers in their classrooms. They may not be the top of the class, however, they are the children who consistently try the hardest and always act appropriately at school. Congratulations to the following students: Peter Cooper, Matilda McRae, Charlie Byrne, Shelby Lord, Jazmine Smith, Cameron Chandler, Jett Wilson, Sharni Bowkett, Daniel McMillan, Chelsea Smith, Deagan Marchant and Jennifer Mackay.

Our community award was presented to Warwick Chandler, who has been very valuable to the school in the following areas. Organising and supervising the building of the cola over the playground equipment, top dressing the school oval and always assisting the staff and students on our special days. Thank you Warwick, your assistance is very much appreciated.

Award Winners

Congratulations to the following children who received awards at last Friday’s Assembly.

Gunnedah Zone Athletics Carnival
The Gunnedah Zone Athletics Carnival will be held on Wednesday 6th August at Gunnedah commencing at 8:45am. Our school representatives have been notified and permission notes must be returned to the front office before Wednesday. Students representing our school need to be in full school sport uniform and will meet Mrs Wood at Worsley Oval at 8.45am to have their names marked off.

Active After School
Active After School will be held again this week. This term the K - 2 students will be participating in Basketball on a Wednesday and the Years 3 - 6, Hip Hop on a Thursday. Our Hip Hop teachers will be here this week. **The Thursday afternoon session will run until 4.15pm** not 4.00pm to allow travel time for our Hip Hop instructors. A big thank you to Miss Mexted, who has run the program for the last two weeks.

If your children would like to participate in the Active After School program, you are required to complete a Parent Consent Form. These are now available from the front office.

Steam Train
On Friday the 29th August, Transport Heritage NSW will be operating a beautifully restored heritage train, hauled by a Legend of steam loco. This is a significant event as it is the first steam train to visit this area in several years. I have been able to secure the last 50 seats on the train. I have organised a bus to take students to Gunnedah, leaving school at 9.00am, so that we can board the train in Gunnedah at 9.55am. The train will then travel to Boggabri and will arrive here at 11.05am.

Students will then walk from the train station back to school and resume lessons as normal.

I am offering places on this excursion to all students in the school, including the Smart Start children (if accompanied by a parent or guardian) on a first in basis. If you would like your child/ren to participate in this event could you please return the attached permission note along with the money - $15 per person to the front office as soon as possible.

If you have any questions, please contact me through the front office.

Have a great week.
