Students Return Tuesday 21st April

School Assembly
Last Friday, Year 5/6 led our school assembly. Congratulations to the following students who received a Bronze Award at the assembly.
School Party
We are well on our way to achieving our goal of 100% students in uniform. We are currently at 85% once we reach 100% we will have a school party. If your child is not in full school uniform for any reason, please let us know so that they can be exempt for that day. A big thank you to everyone for your support with the uniform, the students look wonderful.

Please remember that we sell all articles of uniform, including a small number of black shoes at the school.

School Stream
This year we will be using School Stream. School stream is a mobile app that sends information, such as newsletters, permission notes and important updates directly to your phone. The app also allows you to send through absent notes and permission notes. We will still have paper notes, however, once the system is up and running please let us know if you no longer require the paper version. You will require a password to complete the installation process. This password is 1276. If your need help installing the app please see Miss Jones for iphone/ipod and Mrs Wood for Android. As this is a new system to the school please understand that we are learning how to use it effectively.

School Fees Smarties to Year 6
School fees are now being received at the front office. They are voluntary but are greatly appreciated to assist the school in paying for supplies. Fees are $40 for the first child (smarties to year 6) and $10 for any additional children.

Story Teller
Last Wednesday all the students thoroughly enjoyed the workshop presented by Morgan Schatz Blackrose an international acclaimed story teller and children's literacy advocate.

Canberra Excursion
The final costing has been determined at $550. Payments for this excursion can be made anytime during school hours at the front office.

Have a wonderful week

Principal
Student School Banking
