From the Principal’s Desk

Boggabri Public School featured in the local papers
Due to Education Week you will notice a lot more photos of our students in the local paper. Every week we send a variety of photos and news to the paper and they decide what they publish. We do not have any input into their decisions after we have sent them everything.

Parent/teacher interviews
Teachers are conducting parent/teacher interviews at the moment. It is very important that all parents/carers are involved in these interviews to ensure that they know how their child is performing at school, and what may be done to assist each child at home. If you have not made an appointment with your child’s teacher please return your booking sheet or contact the front office as soon as possible.

Head lice
There have been a few cases of head lice reported in the school lately, would you please check your children and treat them if necessary. Speak to the chemist about what treatment is currently the most effective. Covering your child’s hair with a cheap conditioner then combing with a lice comb is also an effective way to treat these unwanted guests.

Woolworths Earn & Learn
The Woolworths Earn & Learn program is running again. Shop at Woolworths and earn 1 sticker for every $10 you spend. Completed sticker cards and stickers can be placed in a collection box at Woolworths our left at the school office. The program closes on Tuesday 8th September. This community program enables us to earn educational resources for our school.

School Fees Smarties to Year 6
School fees are now being received at the front office. They are voluntary but are greatly appreciated to assist the school in paying for supplies. Fees are $40 for the first child (smarties to year 6) and $10 for any additional children.

School Party
To reward those classes who have had 100% of students in uniform, we will be having a special class party. There are a few classes who only have 2 or 3 students who are out of uniform, please ensure that your child is in uniform. If they are wearing the blue shirt it needs to be buttoned up with the tie.
The overall school percent is at 79% of students in school uniform. Once we reach 100% we will have a school party. If your child is not in full school uniform for any reason, please let us know so that they can be exempt for that day. There are now only a couple of children in each class who are not in uniform, please ensure that your child is in uniform every day and that they are not responsible for us not having our party. A big thank you to everyone for your support with the uniform.

Principal

P&C News

P&C Fundraising Trivia Night
P&C Fundraising Trivia Night will be held on Saturday 15th August at the Boggabri RSL commencing at 7.00pm. $10 per head. For bookings please contact Jen Devine 0428 434 759 or Jacquie McInerney 67 434 146.

The P&C are currently looking for any one that would like to help in anyway (any help big or small is most appreciated not only by the P&C but also the kids that will benefit). Please see a member of the P&C if you wish to help out.

DONATIONS: We are also seeking donations of prizes for the night so if you or a business you work for would be willing to donate goods or a gift voucher we would gladly accept it AND of course that business would be recognised on the night and also in our school newsletter!!!

RECIPE BOOK FUNDRAISER......

The P&C has decided to compile a recipe book (last done by the school in 1998) made up of all your tried and tested favourites to then sell as a fundraiser and we NEED YOUR HELP!!!! We are looking for your best recipes - they can be anything from a dip to main meal to dessert or biscuits. Anything yummy that you love to make!!

Recipes can be dropped into the school, handed to a P&C member or posted on our FB page - don’t forget to include your name and child’s/grandchild’s name & class (even the years you attended if you happen to be a past student)

We will also be offering some advertising spaces for local businesses at $10 each if you know of anyone who would be interested.

We are hoping to have enough to compile the book by term 4 - what a great Christmas pressie. So have a think and a search through your books and let us know!!!
Year 3 Kit Kat maths

Year 3 have been working hard with fractions this term. In order to obtain a better understanding we used kit kats to demonstrate how some fractions are larger than others. When faced with which fraction gave you more chocolate the students’ understanding of greater and less than become much clearer. The best part of the lesson was eating our fractions. Thank you to IGA for keeping 23 kit kats aside for us.
What’s on in the SMART Chef kitchen this week…….

**Thursday 30/07/2015**

**Morning Tea**
Warm Milo - $1.00
